At OPTAVIA, our independent Coaches are the lifeblood of our Program. OPTAVIA Coaches help others realize Lifelong Transformation, One Healthy Habit at a Time®.

YOUR BEST LIFE IS WAITING.
ALL YOU HAVE TO DO IS TAKE THE FIRST STEP.

OPTAVIA Coaches in the Asia-Pacific region are compensated for their efforts through the International OPTAVIA Compensation Plan outlined in this document; it empowers Coaches to shape their destiny and create a life of greater momentum and potential financial freedom*.

* OPTAVIA makes no guarantee of financial success. Success with OPTAVIA results from successful sales efforts, which require hard work, diligence, skill, persistence, competence, and Leadership. Please see the OPTAVIA Income Disclosure Statement (bit.ly/idsoPTAVIA) for statistics on actual earnings of U.S. based Coaches.
There are three primary earning opportunities with OPTAVIA which correlate to the three levels of Competency in our business plan:

1. **Client Support** income to reward the OPTAVIA Coach Competency
   - Client Support Commissions & Bonuses
   - Coach Consistency Bonuses
   - Quick Start Bonus
   - Monthly Client Acquisition Bonus (MCAB)

2. **Coach Sponsoring & Team Building**
   (Business Coach Competency)
   - Business Builder Bonus
   - Generation Zero Bonus
   - Rank Consistency Bonus

3. **Leadership Development & Advanced Team Building**
   (Business Leader Competency)
   - Executive Coach Generation Bonuses
   - Elite Leadership Bonuses

Related to these three earning opportunities are nine different avenues of earning income:

**1. Client Acquisition & Support**
   (OPTAVIA Coach Competency)
   - Client Support Commissions & Bonuses
   - Coach Consistency Bonuses
   - Quick Start Bonus
   - Monthly Client Acquisition Bonus (MCAB)

**2. Coach Sponsoring & Team Building**
   (Business Coach Competency)
   - Business Builder Bonus
   - Generation Zero Bonus
   - Rank Consistency Bonus

**3. Leadership Development & Advanced Team Building**
   (Business Leader Competency)
   - Executive Coach Generation Bonuses
   - Elite Leadership Bonuses

The OPTAVIA Compensation Plan is designed to reward:

- Client Acquisition & Support
- Coach Sponsorship & Mentorship
- Team Building & Duplication
- Leadership Development & Advanced Team Building
- Mastery at Each Level of Competency
At OPTAVIA, we believe in protecting the value of a Coach’s business. Therefore, we have two types of volume in the OPTAVIA Compensation Plan:

1. **COMPENSATION VOLUME (CV)** -
   the value assigned to any product/item in the OPTAVIA product portfolio for the purposes of compensation calculation. All products have a Compensation Volume, ranging from 0% to 100%, of the product price. All commissions and bonuses are paid on Compensation Volume.

2. **QUALIFYING VOLUME (QV)** -
   the amount assigned to an item to determine rank and bonus qualification. Qualifying Volume is used to standardize the duplication model to ensure that the level of effort for qualification remains the same over time and across markets.

Let’s look at these in greater detail:

**Compensation Volume** (CV) is on an item level. Since Clients typically order more than one item at a time, all of the CV for a Client is summed to create Personal Compensation Volume (PCV). Then, all of the PCV for a Coach’s personally sponsored (Frontline or Level 1) Clients and Coaches is summed to create the Coach’s Frontline Compensation Volume (FCV). A Coach’s Group Compensation Volume (GCV) is simply the sum of all PCV for all Clients and Coaches on which they are paid. *Note: A Coach’s own PCV is not included in either their FCV or GCV, since Coaches are not paid on their own personal orders.*

**Qualifying Volume** (QV) works exactly the same way. All of the QV for a Client’s order is summed to create Personal Qualifying Volume (PQV). Then, all of the PQV for a Coach’s personally sponsored (Frontline or Level 1) Clients and Coaches is summed to create the Coach’s Frontline Qualifying Volume (FQV). A Coach’s Group Qualifying Volume (GQV) is simply the PQV of all Clients and Coaches on which they are paid. *Note: A Coach’s own PQV is not included in either their FQV or GQV, since Coaches do not receive credit on their own personal orders.*
Welcoming Clients and supporting them on their journey are the foundation of a successful OPTAVIA business and, for many, are the starting point in our business model. OPTAVIA Coaches are compensated based on orders placed by their personally sponsored and supported Clients. A Client can order online via a Coach’s personalized website or by calling OPTAVIA.

**CLIENT SUPPORT COMMISSIONS & BONUSES**

Coaches earn a 15% commission on the Personal Compensation Volume (PCV) of orders placed by their Frontline (Level 1) Clients. Personal Compensation Volume is the combined Compensation Volume (CV) of all commissionable items on an order.

At OPTAVIA, we reward Coaches for their personal efforts and experience; therefore, our Client Support Bonuses are tiered, allowing for greater earning opportunities as more orders are generated by your personal Clients. The greater a Coach’s Frontline Qualifying Volume (FQV), the greater percentage of Frontline Compensation Volume (FCV) he/she earns.

COACH CONSISTENCY BONUSES

OPTAVIA rewards Coaches who have consistent Frontline Qualifying Volume (FQV), month after month.

This bonus has three levels*:

- An OPTAVIA Coach who generates a minimum of 1,200 in Frontline Qualifying Volume for three (3) consecutive months will be paid a $200 bonus.
- An OPTAVIA Coach who generates a minimum of 3,600 in Frontline Qualifying Volume for three (3) consecutive months will be paid a $600 bonus.
- An OPTAVIA Coach who generates a minimum of 6,000 in Frontline Qualifying Volume for three (3) consecutive months will be paid a $1,200 bonus.

*Note: In order to be eligible for this bonus, Frontline Qualifying Volume (FQV) cannot fall below 1,200 FQV in any month. If Frontline Qualifying Volume (FQV) does fall below the 1,200 minimum threshold, the three-month consistency clock starts back at zero, and three additional months will be needed to achieve this bonus. The three-month cycle can begin in any month, and Coaches are eligible for this bonus four (4) times in a 12-month period.

QUICK START BONUS

OPTAVIA knows how important it is to get off to the right start with your New OPTAVIA business. Therefore, to reward New Coaches who get on the fast track to success, we offer a special bonus.

As a New OPTAVIA Coach, you have the opportunity to earn a one-time $250 bonus in your first 60 days as a Coach. To achieve this bonus, generate a total of 2,400 Frontline Qualifying Volume (FQV) within your first 60 days from five (5) Frontline New Clients and/or New Coaches.**

MONTHLY CLIENT ACQUISITION BONUS (MCAB)

Clients are key in our business model, as not only are we mission-driven to bring lifelong transformation to as many people as possible, but also Clients are a tremendous source of Candidates for Coaching. Therefore, we have created a special bonus to reward ongoing Client acquisition. Each time an OPTAVIA Coach welcomes five (5) New Clients with a minimum of 1,200 Frontline Qualifying Volume (FQV) in orders in a Monthly Bonus Period (calendar month), they will receive a $250 bonus.** New Coaches are eligible to earn the Monthly Client Acquisition Bonus once they have either earned their Quick Start Bonus or at the expiration of the Quick Start Bonus period (first 60 days as a Coach).

**A New Client means someone who has never ordered with any OPTAVIA Coach or through OPTAVIA. A New Coach means someone who has never purchased an OPTAVIA Business kit.
In order to maximize the earning opportunity with OPTAVIA, a Coach must engage in duplication by building and mentoring Coach Teams.

BUSINESS BUILDER BONUS

As a Business Coach, when you sponsor a New Coach and mentor them to begin acquiring and supporting their own Clients, you are eligible to earn a Business Builder Bonus during their onboarding.

The Business Builder Bonus rewards active OPTAVIA Coaches that help New Coaches get started, encouraging Coaches to work together at the very beginning and throughout their journeys to build the OPTAVIA Community.

This bonus rewards Client acquisition and supports personal sponsoring with activity. To be eligible to receive a Business Builder Bonus, an active OPTAVIA Coach must:

- Generate a minimum of 600 in Frontline Qualifying Volume (FQV) in a Monthly Bonus Period, and;
- Personally sponsor a New Coach who has Frontline Qualifying Volume (FQV). *

Here is an at-a-glance look at the Business Builder Bonus. The amount of Frontline Qualifying Volume (FQV) an OPTAVIA Coach has in a Monthly Bonus Period determines the percentage that they earn on their personally sponsored New Coach’s Frontline Compensation Volume (FCV):

</tbody>

A Business Coach is eligible to earn a Business Builder Bonus in the New Coach’s first three (3) Monthly Bonus Periods.

*A New Coach means someone who has never purchased an OPTAVIA Business Kit.*
GENERATION ZERO BONUS

One of the crucial milestones in a Coach’s journey is to reach the rank of Executive Coach.

**Someone can reach Executive Coach via two paths:**

- Generate 6,000 Frontline Qualifying Volume (FQV) **OR**
- Generate 3,600 Frontline Qualifying Volume (FQV) + have two (2) qualified Senior Coach Teams

Once a Coach reaches the important milestone of Executive Coach, they become eligible for the Generation Zero Bonus. Generation Zero simply refers to all of the Clients and Coaches that a Coach has in their organization, down to the first Executive Coach in depth.

Here’s what that looks like:

As the diagram above illustrates, Generation Zero includes all of the volume from the Clients and Coaches in an organization, INCLUDING the personal order of the Executive Coach, but not the volume of any of the Executive Coach’s Clients or downline Coaches.

Someone who qualifies as an Executive Coach is eligible to earn the 5% Generation Zero Bonus on their personal group (Generation Zero).
RANK CONSISTENCY BONUS

Consistent performance and growth are integral in the OPTAVIA culture. Coaches who qualify as an Executive Coach with 3,600 FQV and two (2) Senior Coach Teams are also eligible for a Rank Consistency Bonus, which is a tiered bonus, paid for three (3) months of consistent, consecutive rank qualification.

Here’s an overview:

A Business Coach can begin this three-month cycle in any month and has the opportunity to earn this bonus up to a maximum of four (4) times in a 12-month period.
Leaders drive all successful organizations, and within OPTAVIA, Leaders play a vital role in communicating, training, supporting, shaping, building, defining, and living the mission of OPTAVIA.

EXECUTIVE COACH GENERATION BONUSES

The Executive Coach Generation Bonuses are business development bonuses that those Coaches who qualify as Business Leaders or higher earn for developing Executive Coaches within their organizations.

In order to maximize the benefit of the Executive Coach Generation Bonuses, it is important for a Business Leader to develop separate Executive Coach Teams.

An Executive Coach Team is defined as a qualifying Executive Coach (or higher) in a unique Line of Sponsorship (an Executive Coach does not need to be personally sponsored). The Executive Coach Generation Bonuses are paid on an entire Executive Coach’s organization, which is defined as all of the OPTAVIA Coaches and their Clients within a Line of Sponsorship of a Qualified Executive Coach (or higher), down to the next Qualified Executive Coach (or higher) in depth. The term for this is “Generation,” and the diagram on the next page demonstrates Executive Coach Generations visually down through six Generations.
The diagram outlines the six Generations of depth by which an Elite Business Leader is eligible to receive generational earnings.
The more qualified Executive Coach Teams a Business Leader develops in width, the higher that Business Leader will advance in rank, which determines how many Generations of Executive Coaches a Business Leader will be paid in depth.

The table below displays the percentage earned on each Executive Coach Generation. Bonuses are paid as a percentage of the Executive Coach (EC) in depth’s volume, down to the next Executive Coach in depth (next Generation).

**ELITE LEADERSHIP BONUSES**

Elite Leadership Bonuses are paid to Coaches qualifying as Senior Business Leaders and higher to compensate for their role in directing and overseeing large OPTAVIA businesses. These three bonuses overlap, which means they are cumulative, so a qualifying Elite Business Leader will earn all three bonuses.

Each of these bonuses is paid in the same way on a Coach’s organization. A Senior Business Leader earns a 0.5% override on his/her entire business down through the first Coach at or above the qualifying bonus rank (Senior Business Leader, Executive Business Leader or Elite Business Leader) to the second Coach at or above that rank in each Line of Sponsorship. The Coach receives earnings on the personal order of the second Coach at or above the bonus rank in a Line of Sponsorship but not on the orders of that Coach’s Team.

SPECIAL CHARACTERISTICS & CRITERIA OF THE OPTAVIA COMPENSATION PLAN

To better understand the details of the OPTAVIA International Compensation Plan, a Coach should be familiar with the following special characteristics and criteria. A Glossary, “Terms to Learn,” is provided at the end of this document for your reference.

CREDITING OF PRODUCTS & ORDERS FOR COMPENSATION

Clients and Coaches pay the same price for products.

- Compensation (all Commissions and bonuses) is paid on Compensation Volume (CV). Compensation Volume (CV) is the value assigned to any product/item in the OPTAVIA product portfolio for the purposes of compensation calculation. All products have a Compensation Volume (CV), ranging from 0% to 100% of the product price. All commissions and bonuses are paid on Compensation Volume (CV).

- Compensation is paid on the Compensation Volume (CV) of Commissionable Goods only. These include, but are not limited to, Fuelings, Snacks, Supplements, etc. Books, tools, apparel, program materials, events, fees, taxes, and shipping are not eligible for compensation.

- Coaches do not receive compensation for their personal orders. This is because personally sponsored Coaches are considered the personal Clients of their Sponsors. A Coach’s personal orders are credited to the Sponsor of that Coach.

- All ranks and bonuses qualification are based on Qualifying Volume (QV). All Commissionable Goods are assigned a Qualifying Volume (QV). Non-commissionable goods (books, tools, apparel, program materials, events, fees, taxes, and shipping) do not have any Qualifying Volume (QV).

- Personally acquired Clients and personally sponsored Coaches (people on a Coach’s Frontline/Level 1) are considered to be on his/her first level for compensation purposes.

- This plan employs seamless, global compensation, meaning that a Coach can have Clients and Coaches in any market in which OPTAVIA is officially open for business and receive Qualifying Volume (QV) and Compensation Volume (CV) accordingly.

- Coaches receive compensation based on Clients’ or Coaches’ actual orders of products. When a product is returned for a refund, the Personal Qualifying Volume (PQV) amount associated with that return will be deducted from the OPTAVIA Coach’s Frontline Qualifying Volume (FOV) and Frontline Compensation Volume (will appear as a negative Personal Qualifying Volume (PQV) and negative Personal Compensation Volume (PCV) amount for that Client). As returns are processed as negative Personal Qualifying Volume (PQV) and Personal Compensation Volume (PCV), they can impact all bonus and rank qualifications and commissions and bonus calculations. Returns and refunds are not processed on the last day of a month.

- A Client must have positive Personal Qualifying Volume (PQV) to count as an Ordering Entity in a Monthly Bonus Period. Clients who have negative or zero Personal Qualifying Volume (PQV) do not count as an Ordering Entity for rank qualifications.
PAYMENT SCHEDULES & METHODS

• Weekly Client Support Commissions (paid on Frontline/Level 1) are paid the week following a Weekly Commission Period.
  – A commission week is Monday through Sunday and any orders placed and paid for during that week will be paid as Client Support Commissions the following week.
  – Weekly Client Support Commissions are paid at the base level of 15%. Any additional percentages earned for Frontline Qualifying Volume (FQV) performance are paid with monthly bonuses, on or about the 15th of the month following the closure of the Monthly Bonus Period.

• Bonuses are paid on or about the 15th of the month following the closure of the Monthly Bonus Period.
  – The Monthly Bonus Period for the Compensation Plan is based on orders placed and payments received in a calendar month. The monthly period begins at 12:00 AM Pacific Standard Time (PST) on the first day of the month and concludes at 11:59 PM Pacific Standard Time (PST) on the last day of the month. Personal Compensation Volume (PCV) is credited for orders that are paid in full.

• Compensation is disbursed via OPTAVIA PAY, a virtual pay portal. The schedule for disbursements is once per week for commission payments and once per month for monthly bonuses (if applicable).

RANK ADVANCEMENT & RECOGNITION

• This is a real-time plan. Although Coaches are granted a recognition title based on their highest achievement level, they are paid month to month based on their current monthly rank performance.
  – For ranks Master Coach and above, a Coach must reach rank qualifications and maintain those qualifications for three consecutive months to be recognized and honored at that new Recognition Title Rank/highest rank achieved.
  – A Coach will be paid at his/her performing rank, regardless of Recognition Title Rank/highest rank achieved.
  – The Company reserves the right to use Recognition Title Rank or qualification rank for committee participation and selection, communication schedules, invitations for trainings and events, and/or special recognitions.
    – The Company reserves the right to make any event, incentive trip, or training, by invitation-only, based on Recognition Title Rank or qualification rank.

• A Coach is responsible for reviewing his/her performance via OPTAVIA CONNECT throughout the month to ensure his/her personal business goals are met.

If any questions or disputes about qualification, ranking, or performance arise, a Coach has two (2) business days from the end of the Weekly Commission Period or Monthly Bonus Period to notify OPTAVIA. Failure to do so will result in the acceptance of that qualification/rank/performance by the Coach.
PERFORMANCE OR ACTIVITY REQUIREMENTS

• In order to be eligible for compensation, an individual needs to fulfill the requirements to become a Coach as dictated by his/her market.

• A Coach is required to renew his/her business annually. The cost to renew the business can be found in the Official OPTAVIA Policies and Procedures, and is subject to change.

QUALIFICATION NOTES

• The first Coach to qualify at a required rank qualifies that Team for the purposes of Compensation. For example, if Bill, a Senior Coach, Sponsors Sharon, also a Senior Coach, Bill qualifies that Team as a Senior Coach Team.

• This plan uses Compression, which is defined in the “Terms to Learn”.

• Coaches who reach the rank of Business Leader or higher cannot have more than 50% of their Qualifying Volume (QV) come from a single Team (leg) the first time they qualify for those ranks.

COMPENSATION STATEMENTS

• All Compensation statements (weekly commissions and monthly bonuses) are available online via OPTAVIA CONNECT for download by the Coach.
