

HOW TO GET A NEW CLIENT STARTED

Your new Client is ready to join the **OPTA**VIA Community! Here are the steps to getting them started right on their journey to lifelong transformation.

Remember: many of our **OPTA**VIA Coaches were Clients first, so how you start them is their first experience of what it means to be a Coach. Keep it fun, simple, rewarding, and show that it can fit into their life. Get ready to celebrate the little victories that add up to the big ones.

QUICK OVERVIEW

- Have a conversation with your Candidate, and complete either the <u>Health Assessment</u> or <u>Wellbeing Evaluation</u> during that time.
- 2. Help them select the program that is right for them.
- 3. Help them place their first order (recommend the **OPTA**VIA Essential Optimal kit with the Habits of Health® system).
- 4. Send them a personal Welcome email.
- 5. Ask them to take a good "Before" picture if weight loss is one of their goals.
- 6. Add them to your newsletter (if applicable).
- 7. Add them to your team's online support page (if applicable).
- 8. When their order arrives, ask them to:
 - a. Read the **OPTAVIA** Guide
 - b. Call you to let you know when they plan to start
- 9. Introduce them to your Business Coach when appropriate.
- 10. Talk to them the day before they start their program for their Journey Kick-Off call, and review the <u>Journey Kick Off card</u> that they received in their first order.
- 11. Touch base with them by phone on Days 1 4 of their program and twice during their second, third, and fourth weeks, and once per week after that.
- 12. Establish an ongoing weekly Client Check-in day.
- 13. Remind them of all of the great support available via our **OPTA**VIA Community.
