GETTING STARTED WITH YOUR OPTAVIA SUCCESS SYSTEM

Once you have your files set up it’s time to connect with Candidates and help them start their journey to lifelong transformation. It’s an exciting time as you start to see the possibilities open up for you.

Your Client Acquisition Bonus is within your reach!

Remember, your $100 Client Acquisition Bonus (CAB) is waiting for you, and it’s only available in your first 30 days as a Coach. Try to earn your CAB within your first 2 weeks as an OPTAVIA Coach™.

Your Business Coach is here to help you!

1 Work on your Contact List, discuss with your Business Coach and identify your Top 10 Candidates.

2 Decide what you’re going to say and reach out to your Top 10 Candidates to share your OPTAVIA transformation story and what it could mean for them.

See how they respond.

3 • If they’re a ‘yes’ welcome them as a new Client!
• If they’re a ‘maybe’ they stay a Candidate for follow-up and stay on your Follow-Up list.
• If they’re a ‘not now’, thank them and see if they can refer anyone who may be interested.

Making progress with your OPTAVIA Success System

Once you’ve started to make contact with your Candidates and you’ve got your first new Clients, you’re up and running! Staying successful and growing a bigger business is all about staying in contact with people and helping them progress.

For Your Candidate Follow-Ups:

1 Make sure to welcome them using OPTAVIA SHARE.

2 Put their Health Assessment in Section 1 - ‘Candidate Follow-Up’.

3 Stay connected and speak to your Candidates periodically to check their interest.

4 Once they’re ready to get started put their files into Section 2 - ‘New Clients’.

For your New Clients:

1 Work with all your New Clients as soon as possible to fill out a Health Assessment and put it in Section 2 - ‘New Clients’ folder.

2 Make sure you have weekly check-ins with your New Clients, discuss their Assessment with them and make a note of their progress.

3 Once a Client has been on their program for one month, move them to Section 3 - ‘Active Clients’.
At OPTAVIA, we want you to live the healthiest life possible. Our programs are simple and easy to follow and, if followed correctly, lead to lifelong transformation. The secret to our successful track record is that along with a structured eating plan and support, we incorporate Healthy Habits in everything our clients do.

There are four components that will make up the foundation of your success. They are:

1. **Your Coach:**
   One-on-one personal support is what sets our program apart from other lifestyle programs available. I’ll be there to guide you on this journey and help you develop healthy new habits and make healthy choices that lead to lifelong transformation. Study after study shows that support and guidance increase your chance for success in reaching your optimal weight.* I’ll help keep you accountable and we’ll celebrate your successes along the way… the little ones and the big ones!

2. **The Habits of Health System:**
   Developed by co-founder, Dr. Wayne Andersen, the Habits of Health system is an innovative lifestyle approach that contains everything you need to replace unhealthy habits with healthier ones. Adopting these habits contributes to your long-term success.

   With the Habits of Health system, you’ll be learning new Healthy Habits in bite sized pieces... and these powerful habits support you in creating the healthy life you want.

3. **Our OPTAVIA Community:**
   In addition to your OPTAVIA Coach™, you’ll have access to support from our OPTAVIA Community of like-minded people who are all focused on creating better health. From live and recorded video conferences and support calls, to Nutrition Support, to client focused support groups, to online support and more, our Community is an important asset to your success.

4. **Our OPTAVIA Fuelings:**
   All OPTAVIA Fuelings are nutritionally interchangeable and five of them a day provide 100% of 24 vitamins and minerals along with probiotics to support digestive health.

   With the Optimal Weight 5 & 1 Plan®, your body enters a gentle but efficient fat-burning state, which is essential for helping you lose weight. You’ll enjoy six small meals a day spaced every 2 to 3 hours apart. Five of your meals are delicious, scientifically-designed OPTAVIA Fuelings and the sixth meal consists of a meal you prepare yourself that we call your ‘lean & green’ meal. It’s a healthy amount of lean protein and 3 servings of non-starchy vegetables. You’ll also want to drink 64 oz. of water a day.

   It’s a proven system and it’s easy to follow.

**INFORMATION REGARDING PRICE OF PROGRAM**

*(you might have already interjected this information during your presentation)*

The best part of our plan is that it’s so affordable. The typical American spends about $15-20 per day on food. This includes fast food, sit down restaurants, groceries you purchase, snacks, cafeteria, vending machines, coffee runs, etc. How much do you believe you spend per day on food?

Many clients find they are saving money or breaking even compared to what they already spend on food so for them, it’s cost neutral!

The Health Assessment Guideline

REMEMBER - if a Client answered affirmatively to any of the questions in the “Health Conditions” Section 3 of the Health Assessment Guideline, be sure to consult the OPTAVIA Program Considerations found on page 3 here.

From listening to what you shared with me I feel that this is a perfect fit for you and your lifestyle. I am excited for you to get started. I believe you’ll love everything about this program as you experience it!
Do you have any other questions I can answer or do you feel like this is a fit for what you are looking for?

IF THEY ARE READY TO MOVE THEIR HEALTH FORWARD:

Great! Let’s get you started!
Let’s decide which Program Kit is right for you.

Let me guide you for placing your first order, I’ll just need to verify your contact information.

Your program will arrive in about 1 week. You’ll be receiving a welcome email and I will add you to a great Facebook support page.

Your transformation towards achieving your health goals could happen quickly and when it does, people will be asking you about it. When that happens, you can refer those people to me and receive “X” (if you choose to do a referral program on your own to thank people for referrals, please discuss with your Business Coach). Or, because people often prefer to be coached by their friends and family, you may want to consider coaching them yourself. You may not be thinking about this right now, but who knows…you may feel so incredible with the results you get that you may want to share OPTAVIA with others. A significant percentage of our Coaches were first Clients who got healthy and then decided to “pay it forward.”

Please call or text as soon as you receive your comprehensive program. Also, many of our clients love the support they receive when they participate and interact with our community. You can participate in support calls, social media, and trainings.

Processing your Client:

- After you complete your meeting/phone/zoom, add any additional notes that you think are important to the Health Assessment.

- Make sure you assist them in placing their program order.

- Send them a welcome email.

- Add them to your contacts in your phone.

- Friend request them on Facebook, and add them to - and introduce them on - your Client support page.

- Put their Health Assessment in the Success System Client folder.

- Confirm what day they’re starting and set up a Journey kick-off phone call with them.

- Coach them along their Optimal Health™ Journey.

WHAT YOU WILL RECEIVE WITH YOUR PROGRAM

When you enroll in our program you will receive my support and coaching, an OPTAVIA Guide that helps you start your journey.

(IMPORTANT: you can mention they will receive “your Habits of Health System” if they are ordering a kit that contains the Habits of Health books) and 30 days of the most popular Fuelings.

We’ll also give you the option to enroll into the OPTAVIA Premier. When you enroll, you’ll receive 5 free boxes of Fuelings, save money on shipping, and you’ll get up to 10% reward credit on your account for your future program orders each time you have a qualifying order*. The best part is that it also ensures you have the Fuelings you need each month on program.

*Terms and Conditions apply to OPTAVIA Premier orders.

IF NOT YET:

“I appreciate that you may need to think about this a little bit. May I continue to follow up and see how your health journey is going?”

Possibly set up a follow up appointment.

Also ask, “If you run across anyone in your world who also is looking to (get healthier, have great energy, lose weight, be more active, etc.) would you mind connecting us if appropriate?”

Follow-up structure:

- Send a thank you text, assuring them that you would love to partner with them to “insert their why.”

- If you put your candidates in your Facebook client support page, ask them if you can add them to this page.

- Put them in your follow folder and follow up on your follow-up day.

OPTAVIA PROGRAM CONSIDERATIONS

It’s important for you to understand that there are multiple aspects of one’s health to consider when selecting which OPTAVIA program fits best for a client. Some of these can be allergies, medication interactions, or general health conditions. Please see below to help guide you in coaching your new client towards their Optimal Health™ and Wellbeing journey.

**Diabetes Plan:**
While the Optimal Weight 5 & 1 Plan®, Optimal Weight 4 & 2 & 1 Plan®, and Optimal Weight 5 & 2 & 2™ Plan are all appropriate for people with diabetes, it is essential that the individual’s healthcare provider monitors blood sugar and medication dosages. Continued medical monitoring by the healthcare provider will be necessary.

**Keywords** Type I, Type II, Insulin, Oral Medications or an injectable

**Thyroid Medications, Soy, & OPTAVIA**
Medications Include: Synthroid, Levothyroxin

**Teen Plans:**
Our OPTAVIA for Teens Plans are specially designed to meet the nutritional needs of adolescent boys and girls, 13-17 years old. Do not use the OPTAVIA program if you are under the age of 13 years old. For more information, refer to the OPTAVIA for Teen Girls Guide or the OPTAVIA for Teen Boys Guide.

**Further questions or concerns:**
Contact us at 1.888.OPTAVIA and select Nutrition Support
Or visit: COACHANSWERS.OPTAVIA.COM

**Gout Plan:**
Our OPTAVIA for Gout Plan promotes gradual weight loss and encourages food choices with only low or moderate amounts of purines.

**Nursing Mothers Plan:**
Our OPTAVIA for Nursing Mothers Plan is designed for the nursing mother whose baby is over two months of age and who is providing the majority of the baby's nutrition through breast milk.

**Seniors Guide:**
People age 65 and older can use the Optimal Weight 5 & 1 Plan with 30 minutes of physical activity every day. A higher calorie meal plan may be recommended based on individual needs.

**Medical Conditions**
We recommend that you contact your healthcare provider before starting and throughout your OPTAVIA weight loss journey, especially if you are taking medications (e.g., diabetes medications, high blood pressure medications, Coumadin® (warfarin), Lithium, thyroid medications, etc.).

Do not use the OPTAVIA Program if you are pregnant or under the age of 13. If you have a serious acute or chronic illness (e.g., heart attack, diabetes, cancer, liver disease, kidney disease, anorexia, bulimia, etc.) do not use the OPTAVIA Program until your healthcare provider says you have recovered or stabilized. The Optimal Weight 5 & 1 Plan is NOT appropriate for teens (13 to 17 years of age), sedentary older adults (65 years and older), nursing mothers, people with gout, some people with diabetes, and those who exercise more than 45 minutes per day. For special medical or dietary needs, refer to our program guides online and talk to your OPTAVIA Coach™.

**Plan Overview:**
See all plan overviews in one location.

**NOTE:**
Rapid weight loss may cause gallstones or gallbladder disease for those at high risk. While adjusting to intake of a lower-calorie level and diet changes, some people may experience lightheadedness, dizziness or gastrointestinal disturbances. These usually are temporary. This Program and any of its materials do not in any way constitute medical advice or substitute for medical treatment.

We recommend drinking 64 ounces of water each day. Talk with your healthcare provider prior to changing the amount of water you drink as it can affect levels of certain medication.
