

## Terms and Conditions for The Global Health Ambassador Club (“GHAC”)

The Global Health Ambassador Club (“GHAC”) is a special success-sharing program that will be available to our U.S. based Coaches who help build businesses in new international markets being launched by **OPTAVIA** - Hong Kong and Singapore in 2019. During the “pre-launch” of these new markets, Coaches can begin prequalifying for the GHAC; Coaches who meet (or exceed) the qualifications of Executive Director and maintain those qualifications for three (3) consecutive months from July 1, 2018 through June 30, 2019 will be “pre-qualified” to participate in the GHAC.

However, there are only 30 GHAC member positions available in each of the new markets being launched and, in addition to pre-qualifying, in order to become a GHAC member and earn a share in the GHAC success-sharing program, a Coach must also continue to qualify as an Executive Director or higher every month AND have a Health Pioneer Club (“HPC”)\* member within their first two (2) pre-qualified Executive Director generations. The first 30 Coaches who meet these qualifications in each of the new markets will achieve membership in the GHAC and be deemed “Global Health Ambassadors.”

As a GHAC member, the Coach will receive a 1/30th share of the 1% Annual Compensation Volume generated in the new market. In order to participate in the program on an ongoing basis, the Global Health Ambassador must meet certain maintenance requirements, which will be announced by the Company prior to the qualification period each year.

Stay tuned for more details!\*\*

\*Additional Terms and Conditions for the HPC program will apply and will be provided by the Company at [http://bit.ly/OPTAVIA\\_HPC](http://bit.ly/OPTAVIA_HPC).

\*\*Additional Terms and Conditions for the GHAC program will apply and will be provided by the Company at a later date.
